IVF Labs of Nashville \$3980.00

Middle TN Surgery Center \$2680.00

TOTAL DUE \$9,995.00

Costs that are excluded from the FLAT RATE package include, but are not limited to, the following:

Trial Embryo Transfer, IVF Class, IVF Pre-Screening Tests, Endometrial Biopsy/scratch, ERA, Neupogen Injection, Sperm Freeze for IVF Back-Up, Sperm Thaw, Sperm Storage, Oocyte Storage, Oocyte Cryopreservation, Surgical Sperm Retrieval, OB Ultrasounds, Psychological Screening and/or Testing, Donor Sperm, Donor Eggs, Surrogacy Services, any complication related to the IVF process such as Hyper-stimulation, Pregnancy Complications, (FET) cycles, Miscarriage or Ectopic Pregnancy, Pregnancy Tests, Phone Consults, Embryo Storage and Genetic Testing.

The cost of medication in a cycle may vary considerably depending on the dosage required in your cycle. The average cost for medication for this cycle is \$4000.00-\$6000.00 and is not included in this above package fees.

If your cycle is cancelled, you will be billed for services rendered to date, minus a 10% courtesy discount. If you have any questions, please call (615) 321-4740 ext. 2459.

My signature below indicates that I do not have treatment/creation coverage for the cycle listed above. Or, I have not met the medical criteria set with my insurance plan for treatment to be authorized. By enrolling in this package plan, I understand that claims for this cycle will not be filed to my insurance company. I understand that all outstanding account balances must be paid prior to beginning my cycle.
